

A Word of Encouragement

God understands your concerns

over the problems in life. He knows of your struggles and is always working to help you prosper. Know that God cares and that He is the True Source from where all resources flow. He knows your needs and He longs to meet them.

Beyond anything else we could ever share with you, we offer you Jesus. Regardless of who you are, or what you've done, God really loves you.

He sent His Son who paid the ultimate price for you. He died for your sins, but death could not hold Him.

Through the resurrection of Christ, you, too, can have a new and eternal life. Ask Him into your heart. Ask Him to heal you, to teach you His ways, and to use you to help others.

“Cast all your care on Him because He cares for you.”

1 Peter 5:6-8

JOSEPH'S STOREHOUSE Supply Center

About Us

Joseph's Storehouse Supply Center was established in November of 2011 as a division of the Kingdom Life Community Resource Center, a 501(c)(3) non-profit organization, and an outreach ministry of Kingdom Life Christian Church in Milford, Connecticut.

It is a benevolent ministry providing donated essential resources to those in need through the generosity of local residents and church members.

It is an outreach service to the community at large, striving to make a difference by displaying the heart of Christ.

Whoever is kind to those in need honors God.

Proverbs 14:31

Our Services

Joseph's Storehouse Supply Center is a clothes closet (for men, women, children and infants) that also provides other basic household essentials, such as kitchen and bathroom accessories, bedding, small furniture items, books and more. Donations are strictly for individuals and families that are low income, are unemployed and have no other income or, on disability with limited income.

Our services are primarily for Milford residents and members of Kingdom Life Christian Church, however, residents of other local communities are also welcome on a case by case basis. All of our donations are "gently used" and at no cost to the public.

Our Policy

All donations are received by the community for the community. Shopping is permitted once a month only, no appointment necessary. In order for all clients to receive a fair amount of items, restrictions must be applied. We strongly encourage our patrons to be considerate and respectful toward the needs of others and adhere to our shopping and space limitation guidelines.
